"Voice of The Twenty Million" THE DONG-A ILBO.

SEOUL, KOREA, SUNDAY, DEC. 30th, 1923.

LORD, I have heard thy speech; and was raid: O LORD, revive thy work in the midst of the years, in the midst of the years make wn; in wrath remember mercy. —Hab. 3: 2.

WISE AND OTHERWISE.

A member of the Bank of Japan will be appointed to the directorate of the Bank of Korea to make the surveillance more strict after accommodating the latter with circulating capital. It would look like custodian to a quasi-incompetent.

Through the wise decision of the new Governor-General Uchida, sixty nine Formosans were arrested on the charge of being radicals. Judging by his intention of controlling current thought with his sabre, Mr. Uchida is undoubtedly one of the singularly great statesmen of Japan.

After driving out a member of the Yamamoto Cabinet, as the result of its utter failure at the Tokyo Parliament, the official statement says that the present cabinet might go on harmoniously in spite of it. It will be perfect harmony when the premier is left alone in the cabinet.

The shareholders of the private railroads of Korea have elected their president according to their own choice, disregarding the governmen recommendation; consequently it made a mess of the so called amalgamation of the private rails How can the civil governor save his face now?

A short term exchange has been revived as the Scoul Stock market. A permit for the Stock Exchange shall be granted later on! Does it mean that speculation will be the only prosperous business in the new year?

Several Korean villages in Manchuria have been attacked by Chinese bandits mixed with some Japanese. Is this another form of the Bominhoi (Society for the protection of the Korean people there?
